Join our Social Wall!

We are so excited you will be joining us this week in Orlando for 2023 Rotary Florida PETS!! We have created a social wall to display all of the incredible moments of this fantastic summit. This is your chance to be #FAMOUS in the

It's Time for Florida PETS!

Florida PETS is this Friday! The excitement has been building as the work to get everything ready intensifies. All preparations are in place and we are anxiously awaiting your arrival!

As you are making your own last-minute preparations, here are some things to keep in mind:

We begin on Friday, March 3, promptly at 1:00 PM - Plan your arrival time accordingly

Daytime Dress Code for Attendees - Rotary (Business) Casual ticks the box for most all daytime events. **Rule of Thumb:** Dress the way you would, if you were attending another Rotary Club meeting, other than your own.

Meeting rooms at hotels are famous for being cold - a light sweater or jacket can be a great addition to your outfit and can

hang nicely on the back of your chair if needed.

- **Lunch on Friday will be on your own** - There are dining options at the host hotel as well as a gazillion eating establishments up and down International Drive.
- **Friday Evening Dinner will be an Outdoor Barbeque** - The weather forecast looks good and calls for partly cloudy, warm and breezy.
- **Saturday: Breakfast and Lunch are provided**, buffet style.
- **Saturday Evening Dinner features a plated dinner** - Traditionally, we all dress up a bit for Saturday night. Nothing formal but business attire would be appreciated.
- **Sunday Morning will include a buffet breakfast** and our official Commissioning Ceremony.
- **Florida PETS will dismiss by 11:30 AM on Sunday, March 5.**

I hope this will help to answer any lingering questions you may have. We are looking forward to seeing you when you arrive in Orlando later this week. If you have questions about anything, get in touch with your District Governor-elect. If they do not know the answer, they will know who to ask.

Thanks!

Florida PETS is upon us!!!

This weekend will represent both the culmination of a lot of preparation and learning, as well as your continuing journey of a lifetime of learning. To prepare you for your role as a Club President, you have and/or will experience the following:

- **In-District PETS (pre-PETS)**. This was an opportunity to meet with your fellow PEs, District Governor Elect and members of your District Leadership Team. Pre-PETS normally focuses on **skills** training and introduction of available resources in your District.
- **PETS Newsletters**. The seven weekly newsletters are critical to your PETS journey. The content includes valuable information on PETS, as well as information and homework on the educational content. A digital copy of all newsletters can be found at <https://rotaryfloridapets.com/resources/>
- **Pre-PETS Zoom Sessions**. Thus far, we've had zoom session on DACdb, Brand Center, Membership Action Plan, and Rotary Club Central. The final zoom session is on the Foundation and scheduled for March 16th (see below). All zoom sessions have been recorded and can be found in the link provided above. **These sessions focus on developing skills and providing resources.**
- **Friday of PETS**. We will offer three Electives on Friday afternoon. Please refer to your badge or MyEvent site (you will get the QR code when you register).

Rotary world.

To get started, we want you to create that awesome content and post it to social media using #RotaryFLPETS in your post. When posting from platforms like Instagram and Twitter, you can just add #RotaryFLPETS in the body of your post. There are other options when you're using the Facebook platform. When using Facebook you can add the #RotaryFLPETS to your post, but in order for your photo to show up on the wall you will need to mention [Rotary Florida PETS](#) in your public post.

Saturday of PETS. PEs will participate in three General Breakout (GBO) sessions. This will be an excellent opportunity to learn more about topics that will be fundamental to your success. Elective and GBO sessions focus on **Leadership** development and sharing both challenges and best practices from other clubs.

- **Plenary Sessions.** Starting on Friday and ending on Sunday, you will hear presentations from some of the most amazing and inspirational Rotary leaders. You'll also have an opportunity to network with fellow PEs.
- **District Breakout (DBO) Session(s).** PEs will participate in at least one DBO with your DGE and members of your District Leadership Team. This is an excellent opportunity to meet with your fellow PEs and learn more about key District goals, objectives, resources and events.
- **Hospitality Suites.** This is an excellent opportunity for networking and fellowship. Each District will have a Hospitality Suite and it is common to visit other Districts and make new friends.
- **Lifetime of Learning.** After PETS, you will be encouraged to continue your learning journey by participating in a number of opportunities; District Conferences, District Assemblies, Foundation Grants Training, Rotary Leadership Institute, International Conventions and a litany of opportunities available through the Learning Center and District/Zone zoom sessions.

If you have not already done so, please register for the upcoming PETS Zoom Session. Please register for these zoom sessions by clicking the hyper-link (all times are EDT). Once you register, you'll receive the zoom invitation.
