Welcome to PETS 2022!

CONGRATULATIONS!

You have been elected to the BEST job in all of Rotary: CLUB PRESIDENT!

Since March of 2021, your District Governors-Elect have worked with the Executive Committee, as well as the Operations and Training Teams, to bring to you the very finest Club President Training Event in the Rotary World: **Rotary Florida PETS 2022!**

You are the **FUTURE** of Rotary, and Rotary is in the process of evolving to meet the needs of its members. PETS is designed to encourage you to think logically, lead creatively, and build the next phase of Rotary’s legacy of “Doing Good in the World.” **Your Club is the MOST important part of the entire Rotary World!** Everything Rotary accomplishes comes from within and among clubs. Our aim is to share skills and resources that will, with your leadership, help your club achieve great things.

In last week’s newsletter, we introduced our Board of Directors (your DGEs), who have dubbed themselves “**THE EXPLORERS.**” Your District Governor, along with the Assistant Governors and Committee Chairs in your District, are committed to helping you lead your club. I encourage you to take advantage of their passion, wisdom, and experience as you build your club’s team and prepare your plans for the BEST Rotary Year EVER!

This week, we are introducing the Executive Committee in the right-hand column of this page. Each one of these persons is a volunteer whose only aim is to ensure that Rotarians throughout our eight Districts have the BEST possible Rotary Experience in the coming year – because all of our Club Presidents are being offered the BEST possible training available.

Please be sure to do a “deep dive” into the message from our Training Committee Chair, PDG John Medina. John’s (and the Training Team’s) insights and pre-work assignments will help you prepare to make the most of your PETS experience. Please take advantage of the opportunity to gather as much knowledge as you can before embarking on your Presidential Voyage.

WELCOME to PETS! Let’s EXPLORE together!

Your Friend in Rotary Service,

Mike
