## Florida PETS Resources – QR Code

By PDG John A. Medina, 2023 PETS Training Chair

When you arrive at PETS, you will notice the QR Code displays at your PETS registration table and classrooms for both your Elective on Friday and your three General Breakout (GBO) sessions on Saturday. This QR code will direct you to the Florida PETS Resources website where you will have access to a repository of resources; previous newsletters, zoom recordings, and a litany of useful documents and links. We will continue to populate this site with additional resources for Membership, Foundation, Brand Center, DACdb, Rotary Club Central and other topics to help you and your club members. You will also notice a QR Code that directs you to MyEvent and provides information on the Florida PETS event.

Use the QR Code below
