ROTARY FLORIDA
PRESIDENT-ELECT
TRAINING SEMINAR

Florida PETS Newsletter

Tuesday, January 30, 2024

Bring Your Partner to PETS!

Is your Partner coming to PETS with you? If so, we will be having sessions on Friday and Saturday designed to give them a better understanding of Rotary and your role as the president of your club. If your Partner is a Rotarian, we hope he/she will join us to talk about different events in the Florida Districts.

On Saturday afternoon, we need Partners of all attending to join us to help sort items that have been donated to "A Gift for Teaching." There will be another article focusing on the items needed by this worthwhile Orlando charity.

If you have not signed up your Partner to come to PETS, please consider doing that as soon as possible! We will have class time, but also time for them to just relax and enjoy what we hope will be some wonderful weather!

We Have a Great Lineup of Speakers!

Thank you for registering for Florida Presidents-Elect Training Seminar (PETS)! We are only a month away from gathering in Orlando to enjoy a spectacular training event and wonderful entertainment and fellowship.

We have a great lineup of speakers who will inspire you with messaging and ideas you can take into your year as your club's President, including **Immediate Past Rotary International President Jennifer Jones.**

Jennifer is an amazing speaker and a member of the Rotary Club of Windsor-Roseland, Ontario, Canada. Jennifer was the first ever female President of our organization, and we are thrilled to have her attending Florida PETS.

In addition to the Immediate Past RI President, we have also landed our **Zones 33 & 34 Director-Elect Patrick Eakes.** Patrick is a member of Crescent Rotary Club in Greensboro, NC and we are excited that he will share his plans with us for his forthcoming two-year term as RI Director.

We have other outstanding speakers as well, so watch future newsletters for more information on each one of them. Alongside these great speakers, you will enjoy some of the best and most insightful training to be found anywhere to ensure you are very well-prepared when you serve as Rotary Club President. Florida PETS provides some of the best trainers and training to be found not just in North America, but in the entire world!

Come to Orlando with a clear mind, ready to absorb all that we have in store for the best weekend of the year, Florida PETS!

Darryl Keys
Chair, PETS 2024

"BE PRESENT"

By PDG Marcy Ullom
2024 Florida PETS Training Chair

One of the requirements of being a President-Elect is to participate in a President-Elect Training Seminar. This is a requirement of every PE around the world. During this timeframe, there are many PETS happening, and the format is as different as there are regions of the Rotary world.

Rotary Florida PETS is a 3-day opportunity to learn more about this incredible organization we belong to, but there's so much more:

- Listen to top Rotary leaders who will underscore the importance of your job as we meet the needs of our members in the 21st century;
- Meet Rotarians from around the state who share many of your challenges and frustrations;
